

## Home Learning Pack

Year: 1

Week: Summer 1 – 18.5.2020

Weekly Reading Tasks	Weekly Maths Tasks
<p>Daily phonics- your child should practice all the sounds on the sound mats each day and practice reading words containing these sounds. Visit this site for lots of fun games and activities. We are currently going through and revising Phase 5. Additionally, recapping sounds in Phase 3 is advised. Phonics lessons in school last approximately 20 minutes each day.</p> <p><a href="https://www.phonicsplay.co.uk/">https://www.phonicsplay.co.uk/</a> Username: march20 Password: home</p> <p>There are some free Oxford Owl reading eBooks available to read on laptops and tablets, if you make a free account on: <a href="https://home.oxfordowl.co.uk/books/free-ebooks/">https://home.oxfordowl.co.uk/books/free-ebooks/</a> This follows the reading scheme that we use in school.</p> <p>Read the book: <i>The Highway Rat</i> – Julia Donaldson. If you do not have a copy there is YouTube videos available of people reading the text, it is necessary to have a recap of the story for your child to be able to complete the writing tasks.</p>	<p><b>Lesson starters</b> Some fun games to play on capacity and measurement <a href="https://www.topmarks.co.uk/maths-games/5-7-years/measures">https://www.topmarks.co.uk/maths-games/5-7-years/measures</a></p> <p><b>Tasks – White Rose Maths – Illustrative videos to watch each day</b> This week is focusing on length, height, capacity and mass. Summer Term – Week 5 (w/c 18<sup>th</sup> May) <a href="https://whiterosemaths.com/homelearning/year-1/">https://whiterosemaths.com/homelearning/year-1/</a></p> <p>White Rose Maths have stopped providing the free worksheets; however, they are still posting the videos. Worksheets are still available on Twinkl. I included a free code for a Twinkl account in your lockdown packs. I will post the titles of some ones that may be useful below:</p> <ul style="list-style-type: none"><li>• Everyday Objects Capacity and Volume Worksheet</li><li>• How Much Does It Hold? Capacity Worksheets</li><li>• Capacity Quiz PowerPoint</li><li>• Capacity Games and Resource Pack KS1</li><li>• Capacity Sort Maths Centre Activity</li></ul> <p><b>Practical activities</b></p> <ul style="list-style-type: none"><li>• Measure everyone in your family. Try it first with a tape measure then try with a nonstandard object such as blocks. Try measuring different objects around your house using a ruler and nonstandard objects (examples: paperclips, blocks, teddies, books). Write down your answers.</li><li>• Collect different cups and jars of different sizes. Talk about how much water you think each one can hold. Put them in order from what you think will be able to hold the most to the least. Test your answers by seeing how much each cup can hold, try measuring using teaspoons/tablespoons. Write down your answers and see if you were right.</li><li>• Draw some lines on a piece of paper. Try measuring them with coins/a ruler/lego.</li></ul>

- Collect some toys. Put them in order from shortest to tallest. Then put them in order from least to most wide. Talk about which ones moved in order and why.
- Try cooking/baking something and measure the ingredients. Practise reading the scales and measuring out different objects. Talk about how different objects weight different amounts. E.g how different does 100g of butter look compared to 100g of flour.

Additional maths tasks are available on capacity and measurement on MyMaths.

### Weekly Spelling Tasks

### Weekly Writing Tasks

**EdShed** (your login is in your home learning packs that you got from school) and practise some of the spelling rules set there. Pick a different one to practise each day.

**I will send a Marvellous Me to those children who have played at least one game each day on EdShed.**  
<https://www.edshed.com/en-gb>

To gain access to a particular phase 3-5 sound:

- Go onto the web game
- Click more lists
- Then assignments
- Then you should have access to games for all the phase 3-5 sounds.

Practise writing the months of the year below:

January  
 February  
 March  
 April  
 May  
 June

Please concentrate on using capital letters, full stops, finger spaces, adjectives and ensuring that letters are correctly formed and on the line.

Please re-read *The Highway Rat* before attempting the lessons below. If you do not have the book at home, there are videos of people reading the book on YouTube.

**Pick one task to complete each day.**

1. In the story, the Highway Rat steals from others around him. Can you make a wanted poster for the Highway Rat, listing his name, what he looks like and his crimes?
2. At the end of the story, the cunning duck becomes the hero of the story by saving the day. If you were the hero in the story, what would you do to stop the Highway Rat from stealing? How would you help? Write down your answer in sentences.
3. Can you write a book/story review of the Highway Rat? What did you like/dislike about the story, and why? Is there anything you would have changed about it?
4. The Highway Rat finally gets caught out for his unkind acts towards others. Can you make a newspaper report about the moment he is caught out and what happens to him?
5. Can you write an apology from the Highway Rat to the other animals that he stole from to say sorry for what he had done and ask for their forgiveness?

### Learning project for this week:

**1. Geography**

Follow the link <https://www.bbc.co.uk/bitesize/articles/zktjqp3> . Explore new learning about Europe. Listen to the online videos and complete the interactive activities. If you do not have a printer for Activity 3, try to draw your own Eiffel Tower.

**2. PE:**

PE with Joe Wicks

**3. Music:**

Follow the link to learn about rhythm <https://www.bbc.co.uk/bitesize/articles/zb9djhv>. Listen to the videos and complete the 3 interactive activities. Ask a grown up to send a photo or video to me via email for Twitter if you would like to post it.

**4. Community Links:**

We are currently facing a very difficult time. Schools are closed, and we must be grateful to all the key workers who are keeping us safe and working hard to keep the world moving. Create a poster for a key worker of your choice and send it to them. E.g. send a poster to the local care home, send a poster to the local fire station, leave a poster on the door for the post man.
