Year: 5

Summer 2 Week: 2

Weekly Reading Tasks	Weekly Maths Tasks
<ul style="list-style-type: none">• Ask your child to read a chapter from their reading book or library book.• Ask your child to design an alternative book cover for the book they are currently reading.• Challenge your child to create a true or false quiz about the book they are reading or a book they have recently read.• Authors love receiving mail from their readers. Your child can write a letter to their favourite author. Encourage them to visit their website first so that they can learn a little more about their chosen author. Why not send the letter and wait for a reply?	<ul style="list-style-type: none">• Your child can log in to Times Table Rockstars.• Work with your child on converting measures:<ul style="list-style-type: none">○ m to km, cm to m, mm to cm○ g to kg○ ml to L• Get your child to log on to MyMaths and work through the 'Converting Measures' activity. They can also work through other activities on MyMaths to reinforce prior learning.• Get your child to log on to PurpleMash and work through the converting measures games in Maths, Measures.• Give your child a recipe with the measurements written in kg. Can they convert the measures to g so they can make the recipe?• Give your child the cost per g for each ingredient. How much will they need to pay for each ingredient?
Weekly Spelling Tasks	Weekly Writing Tasks
<ul style="list-style-type: none">* Encourage your child to practise some more of the spellings from the Year 5/ 6 Spelling List. This can be found in your child's Reading Record.* Practise our weekly spellings using Spelling Shed. The spelling lists change weekly, each Wednesday.* Add more words to their vocabulary bank, adding new words they discover in their reading books, when completing any other work or following conversations at home.* Make a wordsearch using some tricky year 5/6 spellings then challenge a family member to solve it! Use the link below for a blank wordsearch template: https://www.learnwithpuzzles.com/mf_pdf/blank%20template-02.pdf	<ul style="list-style-type: none">• Our project theme this week is celebrations and all good celebrations need a delicious cake! Ask your child to write a set of instructions on how to make the perfect celebration cake. They should include an introductory paragraph, a list of ingredients and equipment needed. Set out the instructions in order, using numbered steps, some time connectives and imperative (bossy) verbs. They could include some top tips or serving suggestions too.• Ask your child to write a diary entry based on a favourite celebration – a birthday, Christmas, Bonfire Night, a family or friend's wedding they have been to. They should use an informal tone, recount the important events of the day and include their feelings and views.

Learning project for this week:

This project this week aims to provide opportunities for your child to learn more about **celebrations**. Learning may focus on the different types of celebrations that take place and who may celebrate them. It could look at how people celebrate different events differently in other parts of the world.

Planning a Celebration: it's time to plan a celebration event of their choice. This could be a birthday party, an Eid celebration, an Easter hunt or anything else they wish to plan. Tell them they have £150 to spend and 25 guests will be attending. What will the money be spent on? Ask them to plan the celebration considering the location of the event, how they will decorate the venue, what their guests will eat and drink and how they will entertain their guests. Get them to detail the timings of the event and any timings for preparation.

Time to Design: can they imagine their perfect celebration outfit? What would it look like? What would it be made from? How comfortable would it need to be? Ask them to design a costume for a celebration of their choice. Think about the patterns they would like to incorporate on their design and the cultural traditions.

Birthdays around the World: birthdays are celebrated differently in different countries. Write an information report detailing how birthdays are celebrated in the following countries: China, England, Spain, Italy and Mexico. Ask your child which country would they like to celebrate their birthday based on their findings? Why? What's the same and what is different? - Select a holiday/festival of their choice and research how different countries around the world celebrate this event. They could compare whether it is celebrated at the same time, the outfits people wear, the food eaten etc. Make a video, poster or report of the things they have discovered.

British Celebrations: in Great Britain, Valentine's Day, St Patrick's Day and Bonfire Night are just some of the celebrations that take place. Ask your child to choose one celebration day and research how the celebration came to be. Using the information they have found, plot the events on a timeline and include dates, details and pictures/sketches. Now create a poster advertising the celebration day. This could be done on a computer programme of your choice or on paper.
